# Thank You

Dear Graphic Packaging,

The Crosby-Ironton High School Students and Staff would like to thank Graphic Packaging for joining efforts to provide our students with a career exploration at Crosby-Ironton High School on October 5th.

We at Crosby-Ironton feel providing all our students' opportunities to be "career and college ready" is the utmost important role we have in education. Cooperative relationship with local businesses to extend those opportunities makes it even more special.

Thank you, to Graphic Packaging, for sharing your time and resources with our students to build a stronger workforce! You shared so many resources. The amount of staff you shared with us was really wonderful! Thank you!

Sincerely,

Lisa Rydberg  
Curriculum and Assessment Coordinator  
Crosby-Ironton Schools
