Dear District 182 Families,

Our records indicate that you have a child living in your household who will be eligible for Kindergarten in September of 2020.

New this year, we would like to have your child assigned to their Kindergarten teacher at Kindergarten Round Up. This means we would like some information from you (because parents know best) to make a decision on which classroom is the best fit for your child.

In order to give your child their best learning environment we are asking you to fill out this form and return to us (in the self-addressed stamped envelope) by March 11, 2020. If you have any questions please contact 218-545-8803.

1. Will your child be attending Cuyuna Range Elementary School's (CRES) Kindergarten in September 2020?
 - Yes. If "yes", please answer the remaining 5 questions
 - No. If "no", please give a reason for your choice.

2. What are some of your child's strengths?
3. What are some of your child's challenges?
4. Describe the type of teacher that you feel your child would learn best from.
(If you would like to make a teacher request, forms may be picked up at the CRES office. Return forms to the office by March 11th.)
5. Describe the best learning environment for your child.
6. Do you know of any students/situations that may impact your child's learning that should be avoided?

Thank you for your time in completing and returning this form by March 11, 2020. We hope to share with you your child's teacher at Kindergarten Round Up, so please return this form.

Sincerely,

*I planned and organized all of this and asked the building principal to sign it- Lisa Rydberg
